**Job Description: Car Wash Attendant**

Wash attendants are responsible for performing the daily operational practices of running the car wash facility. Attendant's job is to ensure that we consistently turn out a clean, dry, and shiny vehicle.

**Duties and Responsibilities:**

- Always be ready to assist customers with menu options and payment.
- Guide cars into the wash area with a focused, pleasant, and competent demeanor.
- Perform visual inspections of the condition of each vehicle prior to sending it through the wash bay.
- Be familiar and proficient with all policies and procedures and able to perform them on a daily basis as needed.
- Perform visual inspections in the tunnel and back room to ensure that all equipment and chemicals are functioning properly.
- Perform prescribed regularly scheduled maintenance on all equipment to ensure it is kept in proper working order.
- Keep the entire property spotlessly clean and ensure everything is kept in the proper place and organized.
- Keep vacuums unclogged, hoses hung properly, and trash cans emptied.
- Be polite and available to address all customer concerns and handle them in a professional manner that is satisfactory to both the customer and to the car wash.

**The ideal candidate will meet the following criteria:**

- Excellent guest service skills and the ability to present an infectious smile.
- Reliable and responsible with a sense of urgency to complete projects and be detail oriented.
- Ability to work a flexible schedule to include weekends and holidays – no late nights.
- Able to work without supervision.
- Ability to walk, run and stand for long periods of time.
- Be mechanically inclined and possess a love of cars.
- Eighteen years of age, high school diploma preferred.
